Proof of Liability Insurance

Maintaining Liability Insurance is a requirement of registration for all registrants. TO REMAIN IN GOOD STANDING you must either send proof of insurance with your renewal or sign the following declaration. The only exceptions to this requirement are Correction Services of Canada (CSC) employees who are not engaged in practice outside of this employment and those on the Academic register who were previously granted an exemption. For those choosing to sign the declaration, NSBEP may nonetheless, from time to time, require the direct proof of insurance.

As required by the NSBEP, I certify that I maintain continuous professional liability coverage with at least \$1,000,000 of liability coverage per occurrence. Furthermore I certify this coverage is in addition to any liability coverage that may be provided by my employer.
