NSBEP WEBSITE

Registrants are always encouraged to make use of the website to keep track of any developments and to perform various tasks:

<https://nsbep.org>

For instance, the website provides access to various legislation, standards and additional guidelines NSBEP has established to direct practice along with news releases. We have different versions of "Frequently Asked Questions" to serve the various requirements of visitors to our site. We regularly add new content to these and other sections, when common questions arise.

We would like to provide a reminder that the website includes an archive of past Email Updates from NSBEP to Registrants. To access such information, please see the Information for Registrants Section of the website.

The NSBEP Directory of Psychologists is available from the website. Such information can be helpful for the public and other professionals. Please ensure that your information is accurate.

The Board site offers a Registrant Portal, which allows registrants to perform a variety of

self-serve functions. In addition to renewing your registration, you can update your contact information on file with NSBEP or update your Psychological Practice Profile as required.

You can also access a Confirmation of Registration document that you can save to your computer and/or print off if you wish to share it with others to verify your registration, e.g., an employer, insurance companies, agencies, etc. This document confirms that a psychologist's registration has been renewed and states the current year of registration.

You can return to this portal at any time in future, if you wish to obtain another Confirmation of Registration, update your contact information or psychological practice profile, or even pay a miscellaneous fee (e.g., paying an oral exam fee, reinstatement fee, etc.).

To get started with any of the self-serve functions, visit nsbep.org and click on "Registrant Login" in the upper right hand screen.

If you have any suggestions about how we can improve the website, you can easily submit your feedback using the online form at the bottom of the NSBEP website.

Kind regards,

Nova Scotia Board of Examiners in Psychology
